Dorothy Colburn

SELECTMEN'S REPORT

We wish to draw your attention to the 5 Bicentennial Welcome signs that have been set up by the Bicentennial Commission at the town lines on Routes 12-A and 120 and near the Cornish-Windsor covered bridge. These signs were designed by Donald Clineff, Dingleton Hill Rd., constructed by Bill and Mark Overman, Route 12-A, and set in place by Bernice Johnson, Commission Chairman, Bill Ardinger, Jackson Rd., and Mark and Bill Overman.

TRA money this year was spent on the Harrington Road. This road has had no substantial improvement work done on it before, and was in line for TRA work.

Duncan Fund money was spent on the Clark Camp road,—a road that needed improvement if it were to be plowed and maintained adequately.

In accordance with the Town vote, the Selectmen purchased a new Mack truck and plow frames for the Highway Dept., to replace the old Diamond T.

The Selectmen also contracted with the U.S.D.A. Soil Conservation Service to have more detailed and accurate Flood Plain mapping done in the towns of Cornish and Plainfield. Plainfields combined with Cornish in this project. The firm of Dufresne & Henry carried out the work mapping flood plain areas along the Connecticut River, Blow-me-down Brook, Bryant Brook and Center Brook, including limits of a 100-year flood-maximum. The field work was carried out in late summer and when the project is completed, the Town will have more accurate references in the application of the Federal Flood Insurance program. This is all being done at no cost to the Town.

The Selectmen particularly want to thank Carol Fitch and Virginia Reed for their work in sorting and classifying the Town records in the Town vault.

Again the Selectmen wish to thank all departments for their efforts to stay within their budgets.

Michael M. Yatsevitch
Fred C. Sullivan
Myron E. Quimby
Selectmen of Cornish, N.H.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

The Polls will be open from 10:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Cornish, N.H. in the County of Sullivan, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Cornish on Tuesday, the 2nd day of March 1976 at 10:00 A.M. to act upon the articles set forth in the Warrant.

Articles 1, 2 and 3 of the Warrant will be acted upon at 10:00 A.M. Voting will be by official ballot and checklist, and the polls will remain open for this purpose from 10:00 A.M.. until 7:00 P.M., at which time polls will close.

At 1:00 P.M. articles 4 through 28 will be acted upon.

1. To choose all necessary Town Officers for the year ensuing.

2. To see what action the Town of Cornish will take on Amendment 1 to the Cornish Zoning Ordinance pertaining to the appointment of members and alternates to the Zoning Board of Adjustment, as presented by the Cornish Planning Board. Vote by ballot.

3. To see what action the Town of Cornish will take on Amendment 2 to the Cornish Zoning Ordinance to change Rural Residential Zone from 5 acres to 2 acres as presented by petition. Vote by ballot.

4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

(a)

(a)	Town Officers' Salaries	$7,000.00
(b)	Town Officers' Expenses	4,500.00
(c)	Election & Registration Expense	1,500.00
(c)	Town Hall & Other Buildings	7,500.00
(d)	Employees' Retirement & Soc. Sec.	5,000.00
(e)	Police Department	1,600.00
(f)	Fire Department	3,900.00
(g)	Insurance	2,500.00
(h)	Damage & Legal Expense	5,000.00
(i)	Cost of Dogs	300.00
(j)	Board of Adjustment	100.00
(k)	Civil Defense	100.00
(l)	Health Department	100.00
(m)	Vital Statistics	100.00
(n)	Visiting Nurse	500.00
(o)	Sanitary Landfill	1,500.00
(p)	Town Maintenance of Class V Highways & Bridges	93,000.00
(q)	Street Lighting	300.00
(r)	Town Road Aid (State $7,672.61)	1,150.89
(s)	Library	1,800.00
(t)	Public Welfare	3,700.00
(u)	Cemeteries	2,500.00
(v)	Principal & Long Term Notes	9,200.00
(w)	Interest, Long Term Notes	2,952.00
(x)	Interest on Temporary Loans	2,400.00
(y)	Capital Reserve Fund, Highway	1,000.00
(z)	Capital Reserve Fund, Fire Dept.	1,500.00
(z1)	Capital Reserve Fund, Conservation Commission	1,000.00
(z2)	Capital Reserve Fund, Tax Map	1,000.00
(z3)	County Taxes	Necessary Amount

Article 5: To see if the Town will vote to increase the Fire Department Capital Reserve Fund from $1,500.00 to $3,000.00 by raising and appropriating each year the sum of $3,000.00 and making it a budgetary item.

Article 6: To see if the Town will vote to raise and appropriate the sum of $26,100.00 for the reappraisal of the town by the State Dept. of Revenue Administration, and for a tax map of the Town. Also to see if the Town will vote to pay for this by appropriating $8,700.00 from taxes this

year, the balance of cost by notes to be paid over a period of two years. The money in the Tax Map Capital Reserve to be used to help reduce the balance to be financed by notes.

Article 7: To see if the Town will vote to raise and appropriate the sum of $600.00 for a copying machine for the Selectmen's and Town Clerk's office, and authorize the withdrawal of $300.00 of the above amount from the Revenue Sharing Fund under the provisions of the State and Local Assistance Act of 1972.

Article 8: To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund, under the provisions of the State and Local Assistance Act of 1972 of $4,000.00 to make payment on the note due on December 15, 1976 on the New Fire Truck loan, as a set-off against this debt service incurred for "priority expenditures" since Jan. 1, 1972.

Article 9: To see if the Town will vote to raise and appropriate the sum of $1,200.00 to assure ambulance service for the Town of Cornish; and to see if the Town will vote to authorize the withdrawal of the above amount from the Revenue Sharing Fund under provisions of the State and Local Assistance Act of 1972.

Article 10: To see what sum of money the Town will raise and appropriate for the repair of the Mercer Bridge.

Article 11: To see what sum of money the Town will raise and appropriate for the repair of the covered bridge off Platt Road.

Article 12: To see what sum of money the Town will vote to raise and appropriate for the purchase of land to meet the Town's sanitary Land-fill requirements.

Aritcle 13: To see if the Town will vote to raise and appropriate the sum of $350.00 for the purchase of equipment for the Police Department.

Article 14: To see if the Town will vote to raise and appropriate the sum of $879.00 for membership in the Upper Valley-Lake Sunapee Council.

Article 15: To see if the Town will vote to raise and appropriate the sum of $184.00 as its share of the cost of publicizing and promoting the natural attractions of the Dartmouth-Lake Sunapee Region.

Article 16: To see if the Town will vote to raise and appropriate the sum of $111.00 for white pine blister rust control.

Article 17: To see if the Town will raise and appropriate the sum of $350.00 for administration and expenses of the Conservation Commission.

Article 18: To see if the Town will vote to raise and appropriate a sum not to exceed $500.00 for surveying town-owned land.

Article 19: By request: Be it resolved that, first, the Town authorize

and instruct the Board of Selectmen to negotiate and enter into a sales agreement with the United Church of Cornish its officers or assigns, for the donation or purchase of the building and lands at Cornish Flat, formerly known as the Baptist Church; and second, that the Town raise and appropriate the sum of $2,500.00 for the maintenance of the building. The sum of $200.00 to be used from this allotment for the purchase or donation agreement costs, the remainder to be held in escrow as a building maintenance fund. Such funds to be available to the Selectmen for matching funds from any source for the restoration and rehabilitation of the building; maintaining the historic character of the structure and at the same time making it available as a public building.

Article 20: To see if the Town will vote to raise and appropriate the sum of $2,000.00 for microfilming Town records.

Article 21: To see if the Town will vote to raise and appropriate the sum of $4,000.00 to repair the 1952 Ford fire truck.

Article 22: To see if the Town will vote to discontinue the stretch of road, which is now subject to gates and bars, starting from opposite the Patkowsky property to the Tifft Road near the Tilghman place now owned by Alfred Hoidahl.

Article 23: To see if the Town will vote to discontinue that stretch of the East Road that was abandoned in front of the Zelma Fox property.

Article 24: To see if the Town will authorize the Selectmen to accept and expend federal and state grants, gifts and any other funds from miscellaneous sources in addition to the original appropriations for 1976 general expenses, equipment and improvements.

Article 25: To see if the Town will vote to instruct the Selectmen to sell or otherwise administer property acquired through tax sales.

Article 26: To see if the Town will vote to instruct the Selectmen to borrow money, if necessary, in anticipation of taxes.

Article 27: To hear the reports of Officers, Agents, Auditors, and Committees heretofore chosen and pass any vote in relation thereto.

Article 28: To transact any other business that may legally come before this meeting.

Given under our hands and seal, this thirtieth day of January, in the year of our Lord nineteen hundred and seventy-six.

Michael M. Yatsevitch
Fred C. Sullivan
Myron E. Quimby
Selectment of Cornish

A true copy of Warrant—Attest:
Michael M. Yatsevitch
Fred C. Sullivan
Myron E. Quimby
SELECTMEN OF CORNISH

Check List -694 names; ballots printed -635; voted -400.

Ballot Clerks Polly Monette, Nancy Laro, Clara Weld and Adel Bayliss counted all ballots after box was opened by Moderator Peter H. Burling. Supervisors of the Check List signed the Lists, and were sworn in by the Clerk.

Polls were opened at 10:00 am by Moderator Peter Burling with the reading of the Warrant through Article 3. Article 1 was to choose all necessary Town officers, by ballot; Article 2 was a Yes or No paper ballot, on adopting amendments to Town Zoning Ordinance; and Article 3 was an Opinion Poll on approving construction and operation of a Bleached Kraft Pulp Mill as proposed by Parsons and Whittemore, Inc.

At 7:00 pm polls were closed, and the results of balloting counted. Article 3: 246 yes votes for the pulp mill; 150 no votes; 3 blank and 1 "maybe". Article 2: 221 yes votes for amendments; 102 no votes. Article 1: Selectmen for 3 years: Hollis J. Boardman, Sr. -64 votes; Myron A. Kuhre -64 votes; Myron E. Quimby -254 votes, and was elected, and sworn in. *Trustee of Trust Funds for 3 years*: Myron A. Kuhre -84 votes; Myron E. Quimby -292 votes, and was thus elected and sworn in by Moderator at close of meeting.

Town Clerk: Bernice F. Johnson -347 votes; Nancy Laro -50 votes. Bernice Johnson being elected and was sworn in later by the Moderator.

Town Treasurer: David A. Bevan -174 votes; Donald J. Powers -217 votes. Donald Powers was elected, and was sworn into office by Mr. Burling.

Tax Collector: Carol F. Fitch, with 389 votes and with no opposition, was reelected, and was sworn into office on March 5 by the Town Clerk.

Auditor for 2 years: Edna Guest, the incumbent, had 377 votes and was thus elected.

Library Trustee for 3 years: Donald E. Saunders, with 361 votes and no opposition, was thus elected to Library Trustee.

Constables: Robert W. Blish received 73 votes; Paul H. LaClair, 261 votes; James R. Lukash, 211, and Arthur D. Macy, 125. Needing two, Paul LaClair and James Lukash won in the election, and LaClair was sworn in by the Moderator at the close of the meeting.

Overseer of Public Welfare: Marion A. Boardman received 123 votes and the incumbent William B. Tracy, 262, thus being Welfare Agent for the coming year.

Highway Agent: Robert C. LaClair received 332 votes and was sworn into office by the Town Clerk on March 5th.

Sexton: Hollis J. Boardman, Sr. received 316 votes, and was not opposed, so was elected and sworn in by the Moderator after the meeting closed.

Write-in votes were as follows: For Selectman: Bill Gallagher -2

Trustee of Trust Funds: John Dryfhout -1, Hollis Boardman -2.

Tax Collector: Nancy Laro -2, Bernice Johnson -1.

Auditor: Ellsworth Atwood -1; Lewis Gage -1; Jean Burling -1.

Library Trustee: V. Gage -1; Stanley Woodward -1; Joan Hier -1.

Constable: E. P. Jones -1.

Overseer of Public Welfare: Samuel Kaymen -1.

Highway Agent: Milt Jewell -1; Jim McSwain -1; Bill Gallagher -1; Harold Morse -30; James Neil -3; Hollis Boardman -1; Andrew Kuhre -1.

Sexton: Jim Borchert -1; Harold Morse -3; Ellsworth Atwood -9; Robert LaClair -7; Robert Bayliss -1; and Mike Monette -2.

At 1:00 pm the business part of the meeting was opened with the Salute to the Flag, and a moment of silent prayer. Moderator Peter Burling read the entire warrant. Dan Poor made a motion that, as the eighth graders will be here until 3:00 pm, they be allowed to enter into the discussion. This was supported by John Dempsey, and so voted.

An announcement was made that snacks and coffee would be on sale throughout the afternoon for the benefit of the Bicentennial Commission.

Article 4:

Herbert Reed moved, Mike Yatsevitch seconded, that we consider *a* through *z4* as read by the Moderator, separately. So moved.

(a) Myron Quimby moved, Donald Powers seconded, that we raise and appropriate $7,000.00 for town officers' salaries. This was voted on, in the affirmative.

(b) Ruth Stewart moved that $4,000.00 be raised and appropriated for town officers' expenses, supported by Nicolaas Leyds and voted in favor.

(c) Regarding election and registration expenses, Ruth Rollins moved,

Donald Clineff seconded, a motion to raise and appropriate $600.00, which was so voted.

(d) On a motion of Leonard Barker seconded by Kenneth Lord, it was voted to raise and appropriate $5,000.00 for the support of Town Hall and other town buildings.

(e) On motion by Mike Yatsevitch, seconded by Leonard Barker, the town voted to raise and appropriate $5,000.00 for Employees' Retirement and Social Security.

(f) Regarding $1,550.00 for the Police Department, Donald Powers and Joseph Woodward moved and seconded that we raise and appropriate this, and it was voted in favor.

(g) Ed Lawrence moved, Pete Decatur supported, a motion to raise and appropriate $3,900.00 for the Fire Department. It was a vote in the affirmative.

(h) Mr. Leonard Barker moved, Mike Yatsevitch seconded, a motion to raise and appropriate $2,050.00 for Insurance. This was so voted.

(i) Ed Lawrence moved we raise and appropriate $1,500.00 for damage and legal expenses. This motion was seconded by Myron Quimby, who stated that we raised $500.00 last year. Discussion. Donald Powers asked if there was a legal case pending, and Myron Quimby said "Yes, the Blue Mtn. Tax Case." It was voted on in the affirmative.

(j) Re cost of dogs, Samuel Kaymen moved we remove this item from the budget, seconded by James Borchert. After discussion, this motion was withdrawn. Fred Sullivan moved, Mike Yatsevitch seconded, that we raise and appropriate $300.00 for the cost of dogs. It was a vote in the affirmative.

(k) Don Powers moved, Dorothy Colburn seconded, a motion that we raise and appropriate $100.00 for the Health Department, and this was voted.

(l) Ed Lawrence moved, Polly Rand supported, a motion to raise and appropriate $100.00 for Vital Statistics. This was voted on, in affirmative.

(m) Mike Yatsevitch moved that we raise and appropriate $500.00 for Visiting Nurse, to which Helen Littell seconded. Mike explained why the increase from $100.00 previously. The motion was then voted, in favor.

(n) Fred Sullivan moved we raise and appropriate $4,000.00 for Sanitary Landfill, seconded by Nicolaas Leyds. There is a new state law that

extends time to towns under 2500 population to continue to burn, for a year. Question: When can the town expect to hear from the state as to when those towns under 2500 have to change over? Answer: Possibly until July. Mr. Leyds and Bob LaClair told of their trip to Durham and Nottingham regarding land fill. It costs the University of N.H. $2,700.00 per day for fuel oil to burn their trash! Arnold Wilkie spoke of Cornish's putting this problem off for past 4 years. Samuel Kaymen suggested recycling. Ellsworth Atwood pays $1.00 per week to have his trash carried to the dump, and asked if possibly Lebanon might pick up all of Cornish's trash. Fred Sullivan asked for a rising vote of thanks to the committee for the large amount of work they have done, and with no pay. The motion was voted on, and $4,000.00 was raised and appropriated.

(o) It was moved that the town raise and appropriate $76,800.00, by Mike Yatsevitch, with this to be reduced by $16,138.19 secured from gas subsidy money. This motion was supported by Herbert Reed. Samuel Kaymen asked, if "o" is correct, why do we need $23,000. for a new truck if the Diamond T will be fixed under "o"? Bob LaClair explained the highway budget: $2000. for Insurance, $8000. for equipment repair (assuming we don't buy a new truck -then $6000.), $3,000. general supplies; $8,000. for gas, oil and grease; $5,000. for asphalt; some for sand, gravel and salt; $1,000. for plow and grader blades; tires and chains, $1,500. with added $500. for more tires on Diamond T; culverts $800., etc., totalling $76,800.00. Discussion followed. Don Powers suggested we hold the discussion to the budget, not the $23,000.00 for a new truck. Further comments: Town purchased pickup for $1,500.00 under Class V Maintenance. $42,000.00 has been spent on payroll. When did we start state wage? 4 years ago. How come we're paying state wages when we are not working for the state?

Chris Tilghman moved an amendment that we reduce this amount by 2%, seconded by Ken Lord. More discussion. Marilyn Bourne, seconded by Whit Littell, moved that we vote on Chris Tilghman's amendment. $60,661.81 minus the subsidy. Peter Burling moved we vote by paper ballot, seconded by Marilyn Bourne. So voted. Yes: 100 No: 56

James Neil amended an additional cut of 13%, or a total of 15%—a cut of $11,520.00. This motion's amendment was voted on by the Town, in the affirmative—$76,800. cut by 15%, or $65,280. which would be reduced by the subsidy.Marilyn Bourne, seconded by Polly Monette, moved to close debate and called to vote on the motion. Voted, in favor. Motion as amended voted on, in the affirmative.

(p) Ellsworth Atwood moved that the Town raise and appropriate $300.00 for street lighting, seconded by Edna Guest. Samuel Kaymen, supported by Susan VanRensellaer moved we amend the above figure to 0. This was put to a vote, and it was a vote against. Original motion voted on, in the affirmative.

(q) Myron Quimby moved and Michael Yatsevitch supported, that we raise and appropriate $1,157.98 for Town Road Aid (the State will pay $7,719.87). This was voted on in the affirmative.

(r) Norma LaClair and Leonard Barker moved and seconded that we raise and appropriate $1,500.00 for the Library. This was so voted.

(s) $3,700.00 was moved and seconded by Nicolaas Leyds and Donald Powers, to be raised and appropriated for Public Welfare. This was voted on, in the affirmative.

(t) Alvan Barrus and Ruth Rollins moved and seconded that the Town raise and appropriate $50.00 for Memorial Day. This was so voted.

(u) Michael Yatsevitch moved, Fred Sullivan seconded, a motion to raise and appropriate $2,100.00 toward work in Cemeteries. This was so voted.

(v) Myron Quimby moved, Michael Yatsevitch seconded, a motion to raise and appropraite $7,000.00 for Principal & Long Term Notes. This was voted in the affirmative.

(w) $1,515.00 was moved by Don Powers, seconded by Mike Yatsevitch, to be raised and appropriate for Interest on Long Term Notes. So voted.

(x) It was voted to raise and appropriate $2,000.00 for Interest on Temporary Loans.

(y), (z), (x1), (x2): J. T. McSwain moved, Ed Lawrence supported, a motion to act on Y, z, z1 and z2 together, and to raise and appropriate $4,500.00 for the Capital Reserve Funds (Highway, Fire Dept., Conservation Commission and Tax Map). This was voted on in the affirmative.

(z3) Mike Yatsevitch moved, Leonard Barker seconded, a motion that the Town raise and appropriate the necessary amount for County Taxes. This was so voted.

(z4) Polly Rand moved, Judy Rook supported, that we raise and appropriate $100.00 for Civil Defense. Voted on, in favor.

Article 5:

Ed Lawrence moved, Danny Hilliard seconded, a motion that the Town do raise and appropriate a sum of money not to exceed $23,000.00 including interest, for a new truck and plow frames to replace the Diamond T. The purchase price to be financed over a period of 5 years; bids to be let out after advertising for ten days; bids to be opened publicly at Selectmen's office; the Selectmen to reserve the right to accept or reject any or all bids. Someone remarked that last year we approved a payloader, and couldn't this be used for a plow? Other comments by Ruth Stewart, Clara Weld, Jill

Edson, Paul LaClair, etc. Ray Doolittle said we'd save $10,000. on a used truck. Barbara Rawson said we'd taken away $11,000., why not let them have a good truck to use.

Whit Littell, supported by Herbert Reed, moved to terminate debate. Vote was in the affirmative. Dorothy Colburn moved to call the question on a new truck, seconded by Jill Edson. It was voted on, in favor. The original motion was then voted on, in the affirmative.

Donald Powers moved that $2,000.00 be withdrawn from the Capital Reserve Fund to be used to defray cost of new truck, and this motion was supported by Clara Weld. It was voted on, in favor.

Arthur Densmore made a motion that the Highway Dept. work on an 8 hour day, 40 hour week basis, unless it is necessary to work overtime as per the road agent. This was seconded by Bill Gallagher, and voted on in the affirmative.

Article 6:

Don Monroe moved, Vera Kuhre seconded, a motion to raise and appropriate $1,200.00 to assure ambulance service for the Town of Cornish and to withdraw this amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Comments from Jim Lukash, Ed Lawrence, and Grace Rawson, etc. Motion voted on, in the affirmative.

Article 7:

Pete Decatur moved, Dale Rook seconded, a motion to authorize the withdrawal from Revenue Sharing Fund, under the provisions of the State and Local Assistance Act of 1972, $4,000.00 to make payment on the note due on December 15, 1975 on the New Fire Truck loan, as a set-off against this debt service incurred for "priority expenditures" since January 1, 1972. This was unanimously voted on, in favor.

Article 8:

Mike Yatsevitch moved, Fred Sullivan seconded, that Cornish agree to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration. There would be no costs to Cornish, and no requirements. This was voted on, in the affirmative.

Article 9:

Fred Sullivan moved, Earle Carpenter seconded, to adopt this article—to assign the $500.00, raised in Article 9 of 1973 Warrant to the Tax Map Fund, and instruct the Selectmen to make application to the Department of Revenue Administration for a revaluation of the whole town before the year 1980. This was voted on in the affirmative.

Article 10:

Bob Hilliard moved, Harold Tillson seconded, a motion to raise and appropriate $410.00 to cover one half of the group Blue Cross—Blue Shield single memberships of the permanent help in Highway Dept. Ruth Stewart asked if the Selectmen had inquired of other insurance companies. Fred Sullivan answered "Yes". This is for only the regular employees, after they've worked one year. The motion was voted on, in favor.

Article 11:

John Dryfhout moved we raise and appropriate $500.00 to pay for the preservation of the collection of personal and public papers of Revolutionary War General Jonathan Chase. Bob LaClair seconded the motion. Questions were asked, and comments made, regarding the deacidifying of these papers, and why they should be saved, etc. Dorothy Colburn moved, seconded by Jim Lukash, to stop discussion. So moved. Motion was voted on, in favor.

Article 12:

$600.00 to refinish the Library floors was raised and appropriated by vote of the Town, through motion of Ellsworth Atwood, seconded by Joe Woodward.

Article 13:

On a motion of Louise Kaymen, supported by J. T. McSwain, the Town voted to raise and appropriate $400.00 to help make "Wheels Around Windsor" available to service citizens of Cornish.

Article 14:

J. T. McSwain moved to pass over the article to approve construction and operation of a Bleached Kraft Pulp Mill, supported by half a dozen citizens. This was voted by Town to pass over.

Article 15:

John Dryfhout moved to amend this article, that the Town raise and appropriate $4,400.00 instead of the $6,400.00 as in the Warrant, for the projects of the Cornish Bicentennial Commission. $1,500.00 of this amount will go to the Historical Committee to publish Vol. IV of the Town History, as prices have gone up on printing since our former vote for money on this project. $1,000.00 of this amount will go toward a matching grant from the State, to publish the Jonathan Chase papers; and $1,000.00 will be needed to complete the "Welcome to Cornish" permanent signs. Bernice Johnson showed the drawing of this emblem, and it was passed around the hall. It was hoped the Bicentennial Commission could get reprints of Vol. I and Vol. II, and it is looking into this, as there have been numerous requests. Donations of money for these projects would be most welcome. It was stated that the Commission hopes that every town organization will assist with one of the projects, or at least earn some money to help finance them. The motion was supported by J. T. McSwain, put to a vote, and was passed, in favor.

Article 16:

Milt Jewell moved to pass over the article, to raise and appropriate $100.00 towards the expense of removing snow at the Mt. Ascutney Hospital and Health Center, seconded by Fred Weld, and so voted.

Article 17:

Gordon Mather moved, Dick Sheaff seconded, that we pass over the article to raise $887.00 for Upper Valley-Lake Sunapee Council. It was a vote in the negative. Polly Rand moved, Ruth Stewart seconded, that we do raise and appropriate the sum of $887.00. Discussion by Polly Rand, Samuel Kaymen, J. T. McSwain, John Sheaff, etc. Motion brought to a vote, in the negative.

Article 18:

John Dempsey moved that the town of Cornish instruct the Selectmen that the Town Hall may be used by the public under current procedures, and by the school under supervision and permission of the Selectmen, seconded by Jill Edson. Bob Bayliss stated he was in favor of using the Hall for groups with alcoholic beverages inside, because as many were not going in and out then, and there seemed to be less roudiness. Jim Lukash stated he was in favor of this being added to the motion. Raymond Mark, as Janitor, stated his feelings. The motion was brought to a vote, and it was passed in the affirmative.

Article 19:

Clara Weld moved that we raise and appropriate $140.00 for Dartmouth-Lake Sunapee Region Asso. There is a new director. This was seconded by J. T. McSwain. Discussion: cake decorating, jewelry making, and other projects seemed a duplication of effort for the small towns. James Neil suggested that we not allocate any money. The motion was brought to a vote of the Town, in the negative.

Article 20:

It was moved and seconded by Charles and Helma Bretton that the Town consider taking over the maintenance of Beechwood Drive in Beechwood Acres. Robert LaClair said it was up to the Planning Board. Whit Littell thought we shouldn't add any more work to our town road help. Arthur Densmore said until the developer brings the road up to standard, the town should not be responsible for its upkeep. Michael Yatsevitch answered that unless the road meets the standards, our road equipment cannot work on it—at present the road crowns up in the middle. The article was voted on, in the negative.

Article 21:

Herbert Reed moved, Nicolaas Leyds seconded, that the Town authorize the Selectmen to apply for, contract for and accept aid from any and all agencies, both State and Federal, relative to disasters which may occur during the ensuing year and until the Annual Town Meeting in 1976, and to expend funds so received to repair and restore damaged municipal proper-

ties and to alleviate disorders resulting from such disasters. This was voted, in favor.

Article 22:

It was voted that the Town instruct the Selectmen to sell or otherwise administer property acquired through tax sales, by motion of Ed Lawrence, supported by Pete Decatur.

Article 23:

George Edson moved, Lewis Gage seconded, that the Town vote to instruct the Selectmen to borrow money, if necessary, in anticipation of taxes. This was so voted.

Article 24:

Samuel Kaymen moved and it was seconded by several, that we accept all reports as printed and corrected, in the Town Report. This was so voted. Also the Town gave Evelyn Lear a round of applause for all her years of work on the Planning Board.

Article 25:

Ed Lawrence moved, John Rand supported, a motion to nominate and elect some Buffaloreaves for Cornish. The following were nominated: Myron Quimby, Ed Lawrence, Evelyn Lear, Ellsworth Atwood, and Susan VanRensellaer. Jill Edson moved we close nominations, seconded by Lewis Gage. All the above were duly elected to the new office.

Robert Widger moved that the Town Recreation Committee be continued, seconded by Donald Monroe. Motion was voted on in the affirmative.

Moderator called for Fence Viewers, stating that this was a serious office, that this committee was sometimes called on to settle disputes between neighbors regarding boundaries. Pete Decatur nominated all the incumbents: Fred C. Sullivan, Edwin G. Lawrence, and Katherine E. Kibbie. The name of Paul Tewksbury was added to this committee, which was accepted by vote of the Town.

Surveyors of Wood, Bark and Lumber: Nominated were: James Neil, Orville Fitch, Jesse Stone, and Fred Weld. These were voted on, in the affirmative.

Nominations for Hogreaves were asked for: Bill Ardinger, Don Clineff, Dan Poor, L. K. Little, Leonard Barker, Sheila Kearns, John Dempsey, Charles Weld, and John Dryfhout were approved by the Town and thus elected.

Bill Gallagher moved, Samuel Kaymen seconded, a motion to have a Board of Elders in Cornish, made up of the eleven oldest people in town.

This Board would be so our elders would be recognized; also they should be an advisory group. This was approved by vote of the Town.

Mr Alvan Barrus moved that we authorize the Selectmen to make, application for and to receive, in the name of the Town, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and / or state agencies and to expend the same for such projects as they may designate. This was supported by Herbert Reed, and so voted.

Susan VanRensellaer suggested we elect a committee from the floor for resource recovery of the town dump. She was chosen to head this committee, and the names of Bill Gallagher, Jill Edson, and Alvan Barrus were added. These were voted on in the affirmative, and elected to committee.

Ruth stewart moved that all articles that are to be put into the town warrant "by request" have names attached, or the region of town, or name of the group putting the article in. This was voted on, in the negative.

Ed Lawrence moved to adjourn the meeting, supported by several.

Following supper and the closing of the polls, all ballots were counted, tallied, and the used and unused ballots wrapped separately and marked and signed by the Selectmen and Moderator. Motion to adjourn was made by Fred Sullivan and supported by Myron Quimby. This was voted.

Respectfully submitted,
Bernice F. Johnson, Town Clerk

BUDGET OF THE TOWN OF CORNISH, N.H.

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Cornish for the fiscal year ended December 31, 1975.

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and statutes of Revenue Sharing Funds of the Town of Cornish for the year ended December 31, 1975.

Eben A. Farnsworth, Edna W. Guest, Auditors

I wish to express thanks to the Board of Selectmen, and other town departments for their cooperation in the many problems of the highway department, and to the employees for their faithful service to the town, full and part time.

In 1975 we were working with a low budget after the cut at Town Meeting, and we have done the best we could. In 1976 we have a greater increase in the budget—asphalt, for sealing and maintaining our black-top roads will be the greatest increase.

Respectfully submitted,

Robert C. LaClair
Road Agent

THE GEORGE H. STOWELL FREE LIBRARY REPORT—1975

We have been very busy this past year with some of these projects:

Starting a Vertical File
Carpeting the Library
Installing a new drop-box
Setting up a Volunteer program

The results of the questionnaire that was distributed at the last town meeting was very disappointing. A number of people requested that the library be open on Saturday mornings. This was started in May with Irene LaClair donating her time. The response has been discouraging but we hope more people will take advantage of the Saturday hours in the future.

In the spring, Virginia Gage and Norma LaClair took a 10-week course at the Claremont Vocational Technical College on "How to Run a Small Library."

Thanks to the 1975 appropriation the library was carpeted in June by Sherwin Williams. Thanks to the people who helped us to reorganize after the moving. A special Thank you to Charlie Bretton for his help during this time.

Due to the kind generosity of Gratia Huggins' bequest in her will, we are able to refurbish part of the attic into a memorial room to be used as a music / reading room.

The Trustees regret Charlyne Saunders' unfortunate accident which caused her to temporarily resign as librarian. We hope that she will be in a position to return this coming year. A volunteer program has been set up with Pauline Haas filling in as a part time librarian. Many other people have been working the Wednesday evening hours and Saturday mornings during this time.

Many people going by the library on Saturday mornings during the summer were able to see the children enjoying the craft hour again this past year. Nancy Wightman and Norma LaClair were Co-chairmen.

The new drop-off box on the library steps was refinished and painted by Don Saunders and has already been put to good use.

The following were some of the items donated to the library during the past year:

The Garden Club filled the flower boxes
Corbin Thornton gave the library a set of andirons for the fireplace
Warren French has given autographed copies of his books as they were published
Joan Heath gave a Sylvania stereo for use in the proposed Gratia Huggins Memorial Room.
We want to thank the number of people who gave books and magazine gift subscriptions to the library this past year.

The library carries a large number of popular magazines. The following are those covering New England.

Salt
Yankee
Down East
N. H. Profiles
Country Journal

The State Bookmobile visited the library three times this past year and has helped to build up our circulation. With an increased interest in Large Print Books, the State library has sent us a larger supply.

The library has purchased the new reprint of Vol. I & Vol. II of the Cornish History to be used for circulation.

We had Amnesty months in November and December in hopes of getting the many overdue books returned. The response was very poor.

The library looked into the possibility of putting in a well and septic system this previous summer. After much research it was found that it would be impossible.

As the library's bi-centennial project, we hope to repaint the trim, plant some new shrubbery, and hold an Open House in the fall.

We have held 14 business meetings and a number of informal ones.

We appreciate the support of the Friends of the Library and other interested residents.

99 Books were purchased this year
3 Records were purchased this year
1206 People patronized the library this year
2897 Books were loaned out
1066 Magazines
116 Records

FRIENDS OF THE LIBRARY REPORT 1975

The "Friends of the Library" is a small non-profit organization, consisting of a group of dedicated people, who are trying to create more interest in our beautiful Library. They have worked hard to raise funds, mainly towards our Bicentennial goal: The completion of the Historical Room in the basement.

Funds were raised by Food sales, a Mini-Fleamarket at the Fair, a Harvest Tea, greeting card sales and donations. We have started the year 1975 with a balance of $ 730.48 and have now $ 933.66 on hand.

The Friends urge everyone to join, at meetings, with volunteer work in the Library or Mini-Mobile, we need all the help we can get.

The Mini-Mobile has branched out, we had 9 stops at the beginning of the year and now we have 14 stops each month. We have delivered and picked up 343 books and magazines during the past year and people really seem to enjoy this free service more and more.

Charles
Bretton—President
Laura
Woodward—Sec.-Treas.

FIRE DEPARTMENT REPORT 1975

In the year 1975 there were 20 fire calls in Cornish. The members worked a total of 398 manhours at fires at the minimum wage of $2.10 per hour this would amount to $835.80 of donated time by the members.

Members attended one 15 hour training course taught by the state. This, in addition to the regular 1 hour training at each meeting, has helped in our firefighting.

The Department, with the help of the Ladies Auxiliary and the Fair Association, has purchased four new two way radios which will put us in direct contact with Claremont Fire Department. This in effect will make us more efficient. The cost of these units was $2,888.00. To date the Ladies Auxiliary has donated a total of $6,000.00 towards the purchase of equipment for the Fire Department.

The annual Fire Prevention Week program was held for the Cornish School and seemed to go well. The drill held at the school was very beneficial to everyone.

The mutual aid program with Meriden and Plainfield has proven to be very effective and will eventually save each town a large amount of money, as duplication of equipment will not be necessary.

Two additional Plectron alert systems were purchased by members now giving us a total of 19 units. All were purchased by members at an expense of $125.00 each.

Engine 2, stationed at the Cornish Flat station, took 1st place for the best appearing piece of equipment for the second time at the Claremont Parade against twenty other units.

Wood stoves are a major cause of chimney fires. Please contact the

Fire Department if you need your stove or chimney inspected. There is no charge for this service.

It is my pleasure working with the selectmen and I greatly appreciate the cooperation from the townspeople.

Thank-you
Duane Allen, Chief

REPORT TO TOWNS

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

1975 Forest Fire Statistics

	No. of Fires	No. of Acres
State	718	800
District	62	91.1
Town	2	1 / 4

Forest Fire Warden

CORNISH PLANNING BOARD REPORT

The active year of 1974 was carried over into 1975. Regular meetings were held on the third Thursday of every month at the Cornish School, with several executive meetings and the public abutter's hearing being held monthly. On site inspections of all subdivisions continue to be conducted.

The Cornish Heights subdivision located on Rte. 12-A absorbed a great deal of the boards' attention and time. The main concern of the board with this development was the road, as the developers want this road to become a town road upon completion. The board exercised extreme caution and consulted with the selectmen, road agent and County Engineer on all aspects of development of the proposed road design; also the future tying-in of any other developments in that area to find the most feasible means of access and agress for the developers and for possible future roads of the town. Many areas were explored and many miles walked on site surveilance by this board. Discussions with Town Council and the developers' attorneys consumed many hours of the chairperson's and secretary's time.

In February the board gave tentative approval for the subdivision which is recorded on the planning board's files as "PB-Sub-1-1974". The board was asked to review the road design and a revised design was approved upon recommendation by the County Engineer and the selectmen.

The board presented to the voters in March of 1975 amendments to the zoning ordinance concerning lots of record. These amendments passed by a vote of 221 yes, 104 no. Also the townspeople were asked by opinion vote if they would like to have Parsons and Whittemore Pulp Co. locate in Cornish. The vote was 246 yes, 150 no.

The board and the Conservation Commission attended the annual Sullivan County Conservation District meeting and dinner held in Claremont. Evelyn Lear left the board after many years of faithful service. Replacing her was Rev. James Link. Peter Burling resigned. He was replaced by a younger citizen, Orville Fitch II.

The Cornish subdivision regulations were amended to provide for minor subdivisions and annexation. A public hearing was held in December and the amendments were adopted immediately following the hearing.

There were six (6) major subdivisions approved in 1975. These being the Cornish Heights subdivision located on Rte. 12-A—(tentative approval).
Howard Brower, 3 lots, located on the junction of R. 120 and Center Rd.
James Judy, 4 lots, located on the Parsonage Road
Charles Mayhew, 5 lots, located in South Cornish off R. 120

Gordon Mather, 3 lots, located on Town House Road
Benjamin Tilghman, 2 lots, located on Tiff Road

There were 15 minor subdivisions granted. These are one lot from the total acreage. Granted were:
Anna Hunt, South Cornish; Clara Weld, Rte. 12-A; Benjamin Tilghman, Tiff Rd.; William Shurcliff, Rte. 12-A; Raymond Mark, Rte. 120; Gerald Baillargeon, Paget Road; Matthew Friedman, Center Road; Robert Kallinich, Parsonage Road; Virginia Hood, Cornish Flat; Frederick Farnsworth, Town House Road; Alfred Benward, Rte. 120; Charles Beauregard, Parsonage Road; Donald Wenz, Harrington Road; Eugene Willis, Lang Road; William Tracy, Lang Road. The board feels it is working toward positive orderly growth.

Being presented to the voters at this Town Meeting will be amendments to the zoning ordinance pertaining to the election of the Board of Adjustment and providing provisions for alternates.

The board was presented with a petition by James T. McSwain, Sr. requesting the board to rezone Rural Residential Zone from 5 acres to 2 acres. The public hearings were held in December and January. This will be presented to the voters in March, 1976 for a ballot vote. The Planning Board opposes this petition.

The present zoning ordinance gives the town the much needed guide for the future land use and development; also the protection of our critical areas, including the steep slopes, wetlands and flood plains. The zoning ordinance by establishing controls on lot size, land use and premature development, provide the necessary tools to maintain orderly, desirable growth leading to efficient services.

SANITARY LANDFILL COMMITTEE REPORT

The Sanitary Landfill Committee has met several times since its appointment in 1973. Thomas Sweeney, Solid Waste Management Director, from Concord, N.H. attended a tour, with the Committee, of the possible sites in Town for a landfill. We had a backhoe with us to dig test holes to check the types of soil and the depth of bedrock. Sweeney approved two

areas, subject to deep hole boring tests. These sites are the Miller pit on Town House Road and the McSwain pit on the River Road.

The Committee has met with Mr. Miller and Mr. McSwain, and have received options on the land until after Town Meeting.

Contractors are being contacted and the Test boring results will be available by Town Meeting.

Purchase cost for these sites will be available also at Town Meeting.

It will be up to the voters to choose the course to be followed with the Landfill Problem.

Nicolaas Leyds

REPORT OF THE RESOURCE RECOVERY COMMITTEE

At the last town meeting, a committee was formed for the purpose of making a survey and preparing a plan for resource recovery in Cornish. Since that meeting, the committee has investigated and studied numerous sources of information regarding solid waste disposal and alternative methods of recovering resources.

In August, the committee arranged for the placement of a dumpster for glass collection at the Cornish dump. We evaluated the response of the residents to glass recycling and decided that a permanent glass recycling facility would be profitable for Cornish. The committee has arrived at a design for a bin for the collection of glass which will be constructed with donated local materials. Subsequent action of the committee will include a plan for the recovery of paper and metal and the proper utilization of organic materials.

Aims of the committee for the coming year include: increasing committee membership; hoping to work closely with the Sanitary Landfill Committee in developing a total plan for the community which will insure the most efficient and economical method of handling wastes; and investigating the availability of grants through the Farmers Home Administration or the Office of Planning and Management of the Environmental Protection Agency.

The committee feels that we have adequate local talent, supplies, and energy and that we could have a successful, neat, and attractive resource recovery area in the near future.

COUNTY ENGINEER REVIEW COUNCIL REPORT

As vice-chairperson of this Council and having served as the representative for Cornish on the Council, it has been a rewarding experience. The Council meets quarterly. The agenda covers everything from salaries to Engineer work load.

Cornish has used the services of the County Engineer 29 times in the past year. These pertained to evaluation of possible land fill sites, reviewed and reported on special exception land variance of the zoning regulations for the ZBA. He worked with the selectmen on the flood insurance application, assisted the planning board with miscellaneous subdivision matter; also assisted with the subdivision amendments.

As you know, housing construction has dropped considerably during the last year, which in turn has reduced the subdivision work load for the County Engineer. The majority of the subdivision of land lately has been of a minor nature with only few lots being divided and usually with large acreage. This in turn releases more time for the Engineer to work on other matters with the towns.

It is my belief that your portion of the County tax that is used for these services is well spent and returned twice-fold to your community.

Polly Monette

ANNUAL REPORT OF THE CORNISH CONSERVATION COMMISSION 1975

The main thrust of Commission activities this past year has been in the direction of providing a preliminary Inventory of the natural, recreation, historic and scenic resources of the community. To do this we made arrangements with the Massachusetts Audubon Society to participate in an Internship program, which enables young researchers to work for non-profit organizations and provides such commissions such as ours with the expertice and the accomplishment of tasks which would otherwise be out of our range both financially and in the time available from a voluntary relationship in which we are engaged. Mr. William Menke, aged 28, a graduate student at the University of Massachusetts, worked in the community for six weeks this past summer developing the report. In this initial Inventory we tried to concentrate on three main categories of resources: water, recreation, and cultural. You will all recall Menke's presentation at the Cornish Fair this past summer.

Two students from the town, Roberta Jordan and Craig Welch, were nominated for two scholarships given by the Cornish Fair Association to

attend the Conservation Camp at Spruce Pond in Allenstown, N.H. They were two out of a total of 127 young people (aged 14-18) attending the camp.

A Dredge and Fill Application was received from a logger to ford and bridge a stream on land of Fritz Hier; there were no objections by the Commission.

The Commission also participated with the Selectmen and Planning Board in negotiations with the U.S.D.A. Soil Conservation Service and the Army Corps of Engineers in Flood Plain mapping. The firm of Dufresne and Henry were the contractors on the project, which was asked to map the areas along the Connecticut River, Blow-me-down Stream and Bryant Brook, to include limits of a 100 year flood.

The Commission meets monthly, the second Tuesday of each month at 8:00 P.M. at the School.

John H. Dryfhout
Secretary

REPORT OF THE BOARD OF ADJUSTMENT

The Cornish Zoning Board of Adjustment held seven hearings in 1975. The majority of the cases heard involved requests for special exceptions to place a single family dwelling in the conservation zone. Also considered were requests for an accessory building and a variance permitting an advertizing sign.

The annual meeting of the Board was held in September for the purpose of receiving public input concerning interpretations of the Zoning Ordinance.

School Nurse's Report
1974-1975

To the Cornish School Board and The Citizens of Cornish I herewith submit my annual report as School Nurse.

The annual vision tests were given to two hundred and forty-five students of which seven were referred to their parents for further evalua-

tion. Six of these were seen for examination and one student moved from the school. Hearing tests were given to one-hundred and fifty-four students—three were referred to the parents and were taken to their family physician for treatment. Color perception tests were given to forty students. All students at Cornish receive this test once while at the Cornish School. All Students were weighed and measured.

Head and skin checks are done periodically as the need arises.

Very few contagious diseases were reported during the school year.

The Department of Dental Public Health examined the teeth of the fourth grade students. Notices of those in need of dental care were sent to the parents. Sixty students in all were examined. These students participated in a dry brushing program.

Sports Physicals were given to sixty-nine students, wishing to participate in school sports. These were done by Dr. R. Lanzer. Referrals were made to the parents of any student requiring any medical care.

Fifteen children were registered at pre-school registration. The State requirements of a physical and required immunization was explained to the parents at this time. We welcome this opportunity to meet the parents and hear of any pertinent problems their child may have. We wish to make their child's adjustment to school as easy as possible.

It is essential that parents keep the school informed as to their wishes of where to contact them or a designated person to come for their child in the event of illness while at school.

My association with the Teachers, Students and School Board Members, at the Cornish School, I thoroughly enjoy. My appreciation goes to all the personnel, at the school, for their continued cooperation and helpfulness in my program.

Respectfully submitted,

Ruth D. Sanderson R.N.
School Nurse

1975 ANNUAL REPORT OF THE CORNISH RESCUE SQUAD, INC.

The Cornish Rescue Squad, Inc. has completed its second year with fifteen active members. Eight more people completed their Emergency

Medical Technition course and two went on to become Nationally Registered EMTs. There is also an Advanced First Aid and Emergency Care course now going on which will add to the number of trained people in our area.

A lot of time was spent by each member in order to maintain a qualified number of people, ready to assist in case of illness or accident. Regular meetings were held the fourth Tuesday with a training and practice session the second Tuesday of each month. Further specialized training received by some members includes rock climbing and repelling; Advanced First Aid and Emergency Care Instructor program; an E.M.T. Refresher course; an updated CPR (Cardiopulmonary Resuscitation) course; and two sessions on hypothermia. The Rescue Squad shall continue to offer training so that its members will be adequately prepared for any kind of emergency that may arise.

The purchasing of necessary equipment has been a big goal this year. A total of $619.82 was spent on updating existing equipment and adding to our inventory. $137.50 was donated by interested residents and there were other donations of a plectron, oxygen units, etc. which were very much appreciated. It is very reassuring and encouraging to receive such support from the people we are servicing. The additional money spent on equipment, insurance and incidentals was raised through fund raising activities.

Steps have been taken to improve and insure our response to any illness or accident. A call system was adopted early in the year which has helped immensely to lessen the burden on each member and assure adequate coverage. If anyone needs assistance, they are asked to call any member of the Rescue Squad or the Windsor ambulance and ask for us. The members are always willing to respond free of charge and as quickly as possible. In 1975, there were thirty-one calls including accidents and illnesses of various kinds at which Rescue Squad personnel assisted.

As a service organization, it is essential to have adequately trained personnel; the necessary supplies and equipment; the support of the people; and a system in which to work. With all these factors taken into consideration, it is hoped we can continue to assist in emergencies involving ill health or accidents.

Respectfully submitted,
Pauline H. Rand

The Cornish Bicentennial Commission has been formed for one full year and we feel we have quite a bit to show for our efforts. Congressman Cleveland presented our Selectmen with the Bicentennial Flag and Certificate of Recognition in Cornish Flat church park on Memorial Day. At that ceremony also, the Community Choir sang. This Choir, directed by Arthur Quimby of Plainfield, sang again at a special 4th of July program on Trinity Church lawn, and Rev. James Link read excerpts of Cornish history of 200 years ago. This choir performed again at Old Home Day.

Our Bicentennial Commission had a booth at Cornish Fair where we sold a good number of Vol. III histories of Cornish, and took orders for reprints of Vol. I and II, which printing was completed before Christmas. These are available to anyone wishing the earliest records of Cornish. We also had note paper printed from our emblem, designed by our Donald Clineff, which was sold at the Fair, Old Home Day, and at the Antique and Craft Sale we held in October, in conjunction with an Apple Pie Festival put on by ladies of the United Church of Cornish.

Obvious to the public are the five "Welcome to Cornish" signs, designed by Donald Clineff, and set in place at all the main Cornish boundary roads.

One of our biggest and most important projects has been copying of the original Jonathan Chase papers to make a booklet which people may purchase. The Bicentennial grant of $1,000 helped a lot with this work, which was completed last December but those involved had not been paid in 1975.

The Commission has more plans for celebration in '76, starting on our Town Meeting Day, just before the afternoon business session. We all want to thank every person and every organization in town that have helped to earn money for our projects as well as for the many ways of encouragement we have received.

Respectfully submitted,

CORNISH FAIR ASSOCIATION, INC.
"Biggest 2-Day Fair in Sullivan County"
CORNISH FLAT, NEW HAMPSHIRE 03746

January 14, 1976

Report for the Cornish Town Report for 1976.

The Cornish Fair Association, Inc. had one of the most successful fairs in 1975 than they have ever had. More then 12,000 people attended the two-day fair. Many improvements were made on the grounds including a new swine shed, fences, and planting of trees along the Parsonage Road. A new culvert and drainage ditch across the grounds was put in at a cost of $4,000.00. The scale shed was dedicated to Mr. & Mrs. Wayne Allen for their years of work with the horse pulling contests.

All premium money was increased and every organization did a great job on decorating booths. The parade was also a big success with many floats and bands decorated to fit the theme of "American Heritage".

Donations made during the year included, $1,000.00 to the Cornish Fire Department for radio equipment. $100.00 to Upstreet, Inc. of Windsor, Vt. $200.00 to the Cornish Little League, $144.00 to send two children to 4-H camp, $134.00 to sent two children to Conservation Camp, $50.00 to the Bi-Centennial committee and $50.00 to the Fire Department for help during the fair. The Board of Directors would like to thank everyone who helped to make our fair the best and "Biggest Two-Day Fair in Sullivan County."

Respectfully Submitted,
Judy Rook, Sec.

CORNISH YOUTH GROUP REPORT

Cornish Youth Group started last part of May, 1975. As of now, there are fifteen active members.

Activities:

1. Went swimming and picnicing twice a week at Singing Hills during summer vacation.
2. Sponsored Karate lessons
3. Sponsored two car washes
4. Sponsored approximately four Food and Book Sales throughout the year

5. Talent Show
6. Booth at Cornish Fair (We won Second Prize)
7. Chicken Buffet Dinner
8. Sponsored Walt Disney Films (2)
9. Two Dances
10. Made up several fruit baskets for elderly of town
11. Held Christmas party for younger family members of youth
12. Worked on skating rink in Flat and behind Town Hall
13. Recreation Hall, Park Grange, opened Friday nights, 7:00 to 9:00 P.M.

Plans for 1976 include other activities for Friday or Saturday nights, as follows: January 2, bowling at Dick Lanes; on the 9th, a movie at Magnet Theatre, on 16th bowling; on the 24th, sliding party with bon fire; on 30th, a dance at the Town Hall. On Feb. 6 a Walt Disney Movie is planned. Also roller skating, movies once a month, bowling, ice skating parties, a Talent Show, a play, swimming, picnics, a booth at the Fair, a float in parade; also a Field Day, some book and food sales, and a trip to an amusement park next summer.

Respectfully submitted,
Cheryl Legassie

SCHOOL WARRANT

Cornish School District

State of New Hampshire

To the inhabitants of the School District in the Town of Cornish qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall, in said District, on the 6th day of March, 1976, at 10:00 A.M. to act upon the Articles set forth in this Warrant.

Article 1 of the Warrant will be acted upon at 10:00 A.M. and voting will be by official ballot and checklist, and the polls will remain open for this purpose from 10:00 A.M. until 7:00 P.M., at which time polls will close.

At 1:00 P.M., Articles 2 through 7 will be acted upon.

Article 1: To choose a Moderator, Clerk, Treasurer, and Auditors for the ensuing year, and two members of the School Board for three years.

Article 2: To hear the reports of Agents, Auditors, Committees or Officers chosen, and to pass any vote relating thereto.

Article 3: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of District officials and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

Article 4: To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and / or state agencies, and to expend the same for such projects as it may designate.

Article 5: To see if the District will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources in addition to the original appropriation for 1976 / 77 for the lunch program, general expenses, equipment and improvements. And to expend the same for such projects as it may designate.

Article 6: To choose Agents and Committees in relation to any subject embraced in this Warrant.

Article 7: To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HAND AND SEAL at said Cornish this 19th day of February 1976.

Willow H. Densmore, Chairman
Michael M. Yatsevitch

HARRIET RUNNELS
CORNISH SCHOOL BOARD

Harriet Runnels died in Cornish, New Hampshire on May 17, 1975. She had served three terms on the Board.

Mrs. Runnels was a valued member of the Board, faithful in attendance and deeply interested in the welfare of students, staff, and school. She served as chairman of the Board on three occasions.

Her devoted service to the Cornish School District is remembered and sincerely appreciated.

REPORT OF THE SCHOOL BOARD

The Principal's and Assistant Superintendent's report give a rather complete view of what is occurring at the school but there are points which should be re-emphasized or added. One aspect is the smoothness and efficiency with which the school has operated this year. There are a number of reasons for this, but rather than elaborate, we can simply say that it has been a great effort by all concerned from the students up to the Board. It is indeed a pleasure to serve on a board in which practically all comments are positive.

The Board experienced a good deal of soul-searching this year as we struggled to define our role as a group responsible to the taxpayer and responsible at the same time for the ultimate success of the children. As a result several position papers were written in a successful attempt to define the role of the Board, the teachers and the people in the town. The result was well received by all who saw it.

The town continues to get a fine return on its tax dollars as students at the surrounding high schools continue to establish exemplary roles in both academics and extra-curricular activities. We still have a large number of honor students who are holding positions of responsibility in their respective schools. One is George Morton Reed II who was President of the Stevens High School Chapter, National Honor Society. Orville Fitch was senior class president and John Strobel won third place in State competition for Distributive Education, in Advertising. Needless to say, we are proud of the achievements of these and all students. It is to this end that we dedicate ourselves-to the pursuance of excellence for now and the future.

In conclusion, the School Board wishes to thank all the administrators, the education staff, supporting personnel, and volunteer aides for the fine job that they have done and for their assistance and cooperation.

Respectfully submitted

Willow Densmore, Chairman
Michael M. Yatsevitch
Jill Edson
Frank Ackerman
Norman Stowell, Secretary

Cornish School Board.

PRINCIPAL'S REPORT

Our teaching staff this year is the most cohesive and experienced group we have had in the three years I have been in Cornish. Each teacher has had at least three years of classroom experience before this year started. This factor, plus the drop in enrollment (down about twenty students over the same point last year), has contributed to the significant improvement in the general atmosphere around the school.

This year has seen the introduction of a regular monthly assembly program for each wing of the school. During each assembly, a class presents an informative program (this year on a Bicentennial theme), the teaching staff awards certificates to students who have performed in a meritorious fashion in some area in the preceding month, and the custodian awards certificates to the neatest classroom in the wing that month. Special programs of a cultural nature are scheduled when possible. School Board funds for these special assemblies are multiplied several times by contributions and other assistance from the PTA and Upstreet, Inc.

We have also implemented a full interscholastic sports program for the girls to parallel that offered the boys the last several years. In addition to the existing softball and cheerleeding squads, we have fielded a girl's basketball team and a Fall team that played both field hockey and soccer—as the competition wished. The Fall Sports Banquet honored all student athletes and coaches for that season, and we look forward to similar festivities at the end of each season.

This year, all pupils in the school are grouped into classrooms that contain two grades, a procedure that was started for several reasons. Among the reasons are the equalizing of class size (no class is larger than 23), the matching as far as possible, teaching and learning styles, and the combining of students into classrooms that can work together effectively as social groups. A disadvantage to this grouping is that the older grades, especially seventh and eighth grades have less feeling of being a class. We will be studying these and other factors as we plan for next year; we welcome the views of others.

We appreciate all the efforts of the many citizens who have donated time and energy to improving the appearance of the building and the education of the children.

Respectfully submitted

Daniel A. Poor, Principal

REPORT OF THE ASSISTANT SUPERINTENDENT

To the School Board and Citizens of Cornish:

Forward:

The best way for a student to build a good self-image is through solid academic preparation and achievement, whether it be to prepare for the world of work or for further study. To this end we conducted a wide and intensive search for faculty members to replace those who left us in June. We warmly welcome to our staff four experienced teachers.

Staff:

Calvin G. Dommke of Rutland, Vt. holds a BS degree from Michigan State Univ. and has taught for the past eight years in Bensen Village School, Bensen, Vt. Mr. Dommke replaced John Dempsey.

Rosanne Scheck, a former fourth grade teacher at Robert Erskine School, Ringwood, NJ replaced Wendy Faust. Mrs. Scheck holds a BA from Fairleigh Dickinson University.

Paul Nevin of Mount Holly, Vt. replaced Dawnmarie MacKenzie. Mr. Nevin is a graduate of State University College, Buffalo, NY with a BA degree. *Lorraine Skowronski* of Branford, Ct. holds a BA degree from Sacred Heart Univ., Bridgeport, Ct. Miss Skowronski replaced Keigh DeLange.

Lorraine Lawrence and Tom Welch have added greatly to the school's support staff.

Budget:

To support the staff and students the Board will soon be requesting the voters to appropriate a sum of money to carry on the educational program. Each year I'm impressed how conscientiously and thoroughly they carry forth this responsibility. You perhaps have already noted the greatest increase is for high school tuition: one item over which we have no control.

No large projects are planned for the school at this time in the proposed budget, however, a number of needed improvement and repairs were carried out last summer. The major one was expansion of the water supply, this for use of the school and for town activities. Cost of materials totaled $1,441.50 and construction was an additional $1,308.24.

Policy:

Policy for the school's operation is frequently reviewed and when desirable new policy is established. Since the last district meeting some new statements have been adopted by the Board. Even though they have been publicized previously, I call them to your attention once again:

a. Athletic-Interscholastic Programs
b. Sports Code of Ethics
c. Student Organization Funds
d. Extra Curricular Reimbursement
e. Title IX (Prohibiting Discrimination) and accompanying guidelines.

The school now operates under forty statements of Board policy, copies of which may be seen at the school.

Statistics:
Figures can be made to tell varied stories, it is so often said. The facts that follow are given with no implications but simply for their face value, as a point of information. They are based on the last complete school year (1974 / 75) and are selected from the 154 school districts in this state.

Town	Rank in *Enrollment*	*Per Pupil Cost*	*Rank per Cost*	Equal. Val. *per Pupil*
Cornish	92	$ 675	136	$37,150
Claremont	11	802	93	36,206
Unity	123	500	154	36,031
Hanover	81	1,420	6	74,707
Fall Mnt.	10	924	53	35,735
Goshen-Lemp.	124	707	130	70,743
Lebanon	16	1,127	21	52,007
Newport	33	738	120	36,191
Plainfield	89	743	118	41,721

Staff and Curriculum:
The Teacher Consultant, Wesley J. Rooker, works closely with the teachers and principal to upgrade instruction. I quote from his report to me:

> "The staff at the Cornish School is continually concerned about updating their teaching competencies within the framework of a school that understands and believes in high standards of academic excellence. I feel that the attitude of the staff regarding these standards is a great factor that helps make school a pleasurable experience for most students. The students know what is expected of them and they respond accordingly.
>
> The curriculum of the school is becoming more uniform and because most of the teachers have been in Cornish for more than one year, we have continuity and follow through that previously did not exist. The curriculum work that is being done is shared by the entire staff and the feeling of being responsible to one another is a vital point. The staff is all "buying in", thereby helping create an atmosphere that is expected and necessary".

Transportation:
Whether on school grounds or in transit, we are very much concerned with the safety and welfare of the children entrusted to our care. A recent NH Supreme Court decision (11 / 28 / 75) is called to your attention; and a partial quote follows:

> "In no case can a pupil be required to walk more than one and one-half miles to a point of departure, and if required to walk in excess of one mile, the route and schedule must be approved by the State Board of Education".

If your child is under fourteen (14) years of age, and the above situation applies, please notify a board member, or myself, so we can take appropriate measures.

In Summary:
I acknowledge with gratitude the guidance and support of the Board, the good work being done by the school, the interest and cooperation of the residents of Cornish.

REPORT OF CORNISH SCHOOL LUNCH

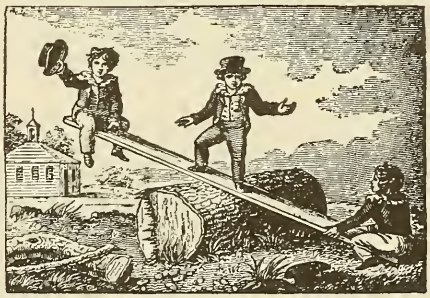
The Cornish School Lunch began the school year of 1974-1975 with a balance of $929.71 and closed the year with a balance of $989.54 in spite of lower enrollment, and higher food and labor costs.

Student meals served totalled 26,498 compared with 27,303 the previous year. The food cost $8,407.72 compared with $8,050.29 and labor cost $6,943.20, compared with last year expense of $5,767.72.

Many school lunches receive a considerable appropriation from the School Districts, and charge more than the Cornish rate of $.40 per student lunch. Hard work and economical planning by Mrs. Ackerman and Mrs. Hilliard have kept the cost low and the quality high.

For the present year 1975 - 1976 we again find the costs higher and the enrollment lower, so the future is difficult to predict.

Respectfully submitted,
G. Alvan Barrus,
Administrator



REPORT OF SCHOOL DISTRICT TREASURER
for the
Fiscal Year July 1, 1974 to June 30, 1975

SUMMARY

Cash on Hand July 1, 1974 (Treasurer's bank balance)		$ 8,199.04
Received from Selectmen	$287,791.52	
Revenue from State Sources	12,546.76	
Revenue from Federal Sources	8,082.83	
Received as income from Trust Funds	18.70	
Received from all Other Sources	907.99	
TOTAL RECEIPTS		309,347.80
Total Amount Available for Fiscal Year (Balance and Receipts)		317,546.84
Less School Board Orders Paid		313,320.32
Balance on Hand June 30, 1975 (Treasurer's Bank Balance)		4,226.52

June 15, 1975

Lorraine Lawrence
District Treasurer

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Cornish, N.H., of which the above is a true summary for the fiscal year ending June 30, 1975 and find them correct in all respects.

Eben A. Farnsworth
Edna W. Guest
AUDITORS

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Cornish for the fiscal year ended December 31, 1975.

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Cornish for the year ended December 31, 1975.

Eben A. Farnsworth
